

Winter Woodland: Window Workshops

Greater Creative artists are hosting free community workshops so that Blackwell Parish residents can come together as a household (children must be supervised) to make their own window decorations to create a wacky woodland across our parish windows.

These are artist-led workshops and have all the materials and kit you need to support you and your household to get creative making your fun festive tree! This activity is recommended (ideally) for a minimum of 2 people per household/family to work on a tree where you will wrap, weave and sew.

Younger children may need close support from their adults
There will be a craft table for tots to play on
and expect mince pies too!

Booking is essential - come join us for one of the sessions:

Saturday 20th November at Newton Community Centre 10am - 12pm
Saturday 20th November at Blackwell Community Centre 2pm - 4pm
Monday 22nd November at Westhouses Primary School 6pm - 8pm
Wednesday 1st December at Hilcote Community Centre 11am - 1pm
