Sticky Knowledge:

Here are some fabulous facts about our topic... **All Around Us.**

- We have allotments next to our school. People grow vegetables and keep animals here.
- There are many signs on the roads to help drivers. There are different shaped road signs.
- A village is usually in the countryside. Our nearest town is Alfreton and our nearest city is Derby. The county we live in is Derbyshire.
- Your address is the number of your house and street name. Every address has postcode.
- A compass has four points; North, East, South, West.
- Aerial photographs are taken from directly above.

A map is a picture of a place, usually drawn from **above**. We have big giant maps that need to be folded and small maps with lots of detail. A compass is displayed to show the direction; North, East, South, West.
