Dear Parents/Carers:

Our school uses Seesaw (<http://seesaw.me>), a secure online journal where Teachers can document and reflect on what your child has been learning in class. Your child or their teacher will be able to add the things we work on (including photos, videos, worksheets, drawings and voice recordings) to their Seesaw journal and we can share them privately with you. As we share pictures of your child learning you may also be able to see other students in photos/videos. By signing the form below, you are consenting to this and agreeing to not download or share these photos on personal platforms such as social media.

In order for your child to use Seesaw, the app needs your child's name to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

I hope that your child will enjoy using Seesaw to document and share their learning this year. Please sign below and return this permission slip so that your child can use Seesaw.

Please sign below and return the form.

I give consent for my child, listed below, to use Seesaw for class activities. I confirm I will not share photos including any other children on my personal platforms.
