Head Teacher: J Whitby

To Blackwell primary school,

We are part of food for life, and we were wondering if you would like to partner with us for food for life. We have won our bronze award and we are now trying for our silver and hopefully you will be able to help us for our silver and then even gold.

I am writing to ask if we can please join your bee keeping articles, we would love to publish them in our Newspaper WHOP. Please can you get back to us as soon as you can.

All about food for life:

You get an award to show your school is fantastic and you will also get kids involved in activities to do with fruit, veg and growing. Your school will see where things come from and even make different recipes at school or at home. Please check out our Food for Life page on our website to find out more.

Thankyou from Lauren at Westhouses Primary School (SNAG/Pupil Voice)
