

Pizza Competition

This term we are running a pizza competition at Westhouses linked with our Food for Life Silver award. We would like to invite you to join in and get creative by making your very own pizza at home and sharing your creations with school at info@westhouses.derbyshire.sch.uk. Don't forget to take picture of you making your pizza and the final product to be in with a chance to win one of our prizes! The deadline for submission is Thursday 7th April and winners will be announced in our celebration assembly on Friday 8th April.

Prizes to be won

Prize 1 Best themed (e.g. Easter or Spring)

Prize 2 Craziest topping

Prize 3 Healthiest topping

To help you get started we have included 1 idea below, but you can be as creative as you like with yours.

Ingredients:

X1 Whole meal wraps

Tinned tomatoes

Mozzarella cheese

Peperoni slices

Peppers (sliced)

Mushrooms

1. Use the tinned tomatoes as a base sauce for your pizza (wrap)
2. Add Mozzarella cheese
3. Using the other ingredients create a face on your pizza
4. Pop under the grill until your cheese is melted
5. Enjoy!

Why not add some home-grown herbs or veggies for extra points?

Good luck!

Thank you to anyone that joins in, it's a big help in achieving our silver award for Food for Life.

SNAG Team.
