

Outline of PE and Sport Premium spending for 2025-2026

CPD

We hired coaches for part of the year to further develop staff confidence of teaching PE. This included Football, Hockey and Gymnastics.

PE leader had a CPD briefing with Dance specialist recommended by BSSP. A plan for upcoming Dance unit was made and followed by teachers.

PE leader has attended PE network meetings to receive up to date information and acquire ideas for good practice.

Extracurricular

We have funded the Play Leader to ensure that lunch times are active. The play leader has worked with Mini leaders to set up games, races and competitions.

We also had an African Dance workshop to give children a new experience.

We have also provided extra staff to support pupils with their Bikeability programme.

We funded extra staff for other extra-curricular activities during school time such as Reception Summer Fun and Year 6 Celebration of Sport.

We have also funded the transport to these inclusive events.

Equipment and Resources

We have funded general replacement of sports equipment, trophies for Sports Day and have had the Active Walls repaired. We have also hired the sports hall at the leisure centre to allow our older children much more space for their PE lessons. This also meant we could use the equipment at the leisure centre such as Badminton rackets.
